

S20 lineage 701

S20 lineage 702

S20 lineage 703

Known-motif claim: PASS; held-out competence: FAIL. Record is categorical, without edge calibration.

Record: scratch, 62,677,315 parameters; workspace: inherited parents, 57,853,781 parameters. Same incremental stream; different objectives/history/arithmetic.

No isolated architecture or matched-FLOP claim. TRAIN fitting/calibration overlap is separate from fresh confirmation.
